Your file is returned herewith.

M.H.
DIRECTOR OF LANDS

MH/RE.

TLR/57/30-584

Registrar of Lands,
Tul-Karem.
30th April, 1930.

R.10093.

Director of Lands,
Jerusalem.

Subject :- Ahmed Innaser Nassura
and Partners.

Reference :- Attached file.

On the strength of the Mazbata signed by the four Mukhtars of Kalikilia village (fol. 2), Ahmed Innaser Nassoura and Abdul-Rahim Ahmed Innaser of Kalkilia are applying to register in their names by possession a plot of land called Khor Abdul-Ghani, situated at Kalkilia and bounded as follows :-

No. Ibrahim El-Salma.

S. Road.

E. Younes Abdul-Ghani and Partners.

W. Abdullateef Salah.

2. From the notes of the Tabu and werko officials on the file cover, it appears that the registration of the land is not traceable in both the werko and Tabu registers.

3. A map for the land has been prepared by the surveyor of this office (fol. 6), which has been signed by him and by the Director of Surveys. The map is also signed by the adjoining owners, certifying the correctness of its area and boundaries. After survey, the land was found to be measuring 30 standard donums and 187.5 Metres and bounded as follows :-

N. Ibrahim El-Salma.

S. Road.

E. Younes Abdul-Ghani.

W. Abdullateef Salah.

4. From the report made by the commission (fol. 7), it appears that :-

(a) The land in question is, as it appears from the Mazbata on fol. 2, under cultivation since a period of 15 years.

(b) Its adjoining lands are also cultivated lands.

(c) It lies at a distance of less than half an hours time from the nearest village i.e. Miskeh village.

I beg to submit herewith the file with enclosures for your perusal and approval for new registration, please.
